

Booking & Cancellation Policy

We take bookings 4-weeks in advance as a rule. Parties are an exception.

Regrettably our experience dictates that Friday's and Saturday evenings require a Credit Card to confirm your reservation :

Before making a reservation please make sure you have your credit card details to hand (type of card, card number, expiry date, security number and name on card) for all reservations between **5 and 22 covers**. The information is secure and strictly confidential.

Due to the size of our eatery the maximum number of a party in the restaurant is 8 covers - above will be seated in one of our private dining room.

For parties between 5-10 guests we ask for 48 hours cancellation notice. In the event this is not honoured we will charge £30.00 per person

For parties between 11-22 guests we ask for 4 days cancellation notice. In the event this is not honoured we will charge £30.00 per person also.
